Soft Skills Leadership, Project Management, Public Speaking, Community Building

EXPERIENCE

Tech Intern

Jan 2025 – Feb 2025

SRI Innovations

- Developed and tested robotic applications using ROS and Gazebo simulations.
- Utilized Python and XML to enhance simulation logic and backend processes.
- Gained hands-on exposure to system architecture, robotics flow, and tech deployment.

Community Manager

Sep 2024 – Present

Teedians Community, Chennai

- Spearheaded student-led clubs and activities, resulting in 3x increase in participation.
- Led the Identity Department, contributing to the personal branding of 50+ students.
- Designed and implementing “Skill Swap” – a peer-to-peer support platform for students.

PROJECTS

Chef Claude – AI Recipe Recommendation Platform

React.js, Node.js, Claude API, HTML/CSS

- Developed a full-stack application that suggests recipes based on user-provided ingredients.
- Integrated Claude API to generate smart suggestions; enhanced with clean UI/UX.

College Symposium Website

React.js, Vercel

- Built a fully responsive website to display symposium details and events.
- Optimized for mobile view and deployed for over 500+ student visitors.
